

Sign up now!

Receive email updates from both the
Watershed Improvement District and the
Watershed Association

haydenlakewid.com

*Hayden Lake Watershed Improvement District
Dedicated to the health of the watershed, the quality of the water,
and the people who live, work, and play within its boundaries.*

Sign up today. You will receive email updates about issues that are important to you:

- Early spring debris removal instructions and schedule
- Information about noxious weeds and weed removal
- Water quality updates
- Association and Improvement District meeting notices *
- News from around the lake

Two ways to sign up!

Send a sign-up request to:

Mary Ann Stoll
HLWID Communication and Public
Outreach Manager
maryann.stoll@haydenlakewid.com

Sign up online:

<https://zc.vg/sf/h371>

or on the HLWID website:

haydenlakewid.com

* The Hayden Lake Watershed Improvement District and the Hayden Lake Watershed Association share a single email database. You will receive email from both. Your information will not be shared with any other entities.
