

**Minutes of a Special Meeting of the
Hayden Lake Watershed Improvement District**

Tuesday, April 7, 2026, 1:00 p.m.

Approved April 20, 2026

Call to order: 4:03 p

Present: Tom Yount, Director; Kristine Regele, Director; Jan Wilkins, President, Hayden Lake Watershed Association

Conflicts of Interest: None

Public Comment: None

Action item: Kristine proposed participation in funding a Lake Host to work at Honeysuckle Beach during the summer season 2026. the District will ask other stakeholders to help fund the position, and this may require that we enter into a MOU or similar arrangement. The Lake Host must be certified by Idaho Dept of Ag in Watercraft Inspection for Invasive species, including quagga, zebra and golden mussels and aquatic weeds. The Lake Host will have a “uniform” – tee shirt, name badge. Jan Wilkins said that she was very supportive of this project and will take the funding request to her board at the next meeting.

Tom Yount motioned to fund \$8800. Kristine seconded. Motion passed unopposed.

To Do:

Contact City commissioners for funding, permissions, etc.

Identify other stakeholders to approach for funding or support.

Contact McKay Curridan to support training, equipment (tablet, wrench, etc.) and to potentially present to the commission or a committee of the commission as requested.

Next meeting: Monthly meeting **Monday, April 20, 2026, 4:00 p.m.**
